Re: **EX PARTE**
Intercarrier Compensation Reform; Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92

Dear Ms. Dortch:

On January 31, 2011, Luisa Lancetti and the undersigned, on behalf of T-Mobile USA, Inc. ("TMUS"), had a telephone conference with Margaret McCarthy, wireline advisor to Commissioner Michael Copps, to discuss the above-captioned proceeding. The conversation focused on the intercarrier compensation reform proposal submitted by TMUS and Sprint in an ex parte dated January 21, 2011. We emphasized that it is particularly important for the Commission's reform efforts to address the evolution of the existing circuit switched network toward IP-enabled broadband.
